

# THE WIZARDS OF FOREST CITY

*“Actually, it’s not magic at all...these guys just like to dress up!”*

*“At Forest City Gear, you see, we produce the highest quality, engineered solutions to our customers’ requirements and we do it using the best gearmaking machines and test equipment we can afford. If there’s any magic in us at all, it’s found in the people who make those gears, splines and assemblies at our company, every day, then deliver them to you on time and at the best price possible.”*

*“Our company motto is **Excellence Without Exception** and we try to live by that code, on every part on every job. To do less would make us bad wizards and, worse, it would disappoint our worldwide customer base, some of whom are you folks reading this ad, right now. That’s a witch’s brew and you’ll never find such a concoction at our company... ever.” “That’s one spell you can count on!”*
